6. Solo le pido a Dios que la guerra no me sea indiferente que es un monstruo grande y pisa fuerte toda la pobre inocencia de la gente.

(Solo le pido a Dios): I only ask of God that He not let me be indifferent to the suffering.... the pain; that the dry death won't find me empty and alone, without having done the sufficient.

... That I won't be indifferent to the injustice,; that they won't slap my other cheek, after a claw has scratched destiny of mine.... That I am not indifferent to the war, It's a big monster and it walks on the poor innocence of people.... That I am not indifferent to deceit, If a traitor

can do more than a bunch of people, then let not those people forget him easily.

... That I am not indifferent to the future, Evicted is the one who has to go away to live a different culture.

SWEDISH/ENGLISH

O store Gud (How Great Thou Art)

Lyrics written by Carl Gustav Boberg,
Sweden, in 1885. The melody is a
Swedish folk song.

1. O mighty God, when I survey in
wonder
The world that formed when once the
word you said, The strands of life all
woven close together, The whole creation
at your table fed,

Refrain: **My soul cries out in songs of
praise to you, O mighty God! O
mighty God!** (repeat)

Då brister själen ut i lovsångs ljud: O store Gud, o store Gud (repeat)

2. When your voice speaks in rolls of
thunder pealing, Your lightning power
bursts in bright surprise; When cooling
rain, your gentle love revealing, Reflects
your promise, arcing through the skies.

3. The Bible tells the story of your
blessing
So freely shed upon all human life;
Your constant mercy, every care
addressing,

relieving burdened souls from sin and
strife.

ENGLISH **FOR EVERYONE BORN**

By Shirley Erena Murray, New Zealand,
Brian Mann, USA

For everyone born, a place at the table,
For everyone born, clean water and
bread;
A shelter, a space, a safe place for
growing,
For everyone born, a star overhead.

Refrain: **And God will delight
when we are creators of justice and
joy,
Compassion and peace: yes,
God will delight when we are creators
of justice, Justice and joy.**

2. For woman and man, a place at the
table,
revising the roles, deciding the share;
With wisdom and grace dividing the
power,
For woman and man, a system that's
fair.

3. For young and for old, a place at table,
A voice to be heard, a part in the song,
The hands of a child in hands that are
wrinkled,
For young and for old, the right to
belong.

4. For just and unjust , a place at the
table,
Abuser, abused, with need to forgive,
In anger, in hurt, a mindset of mercy,
For just and unjust, a new way to live.

5. For everyone born, a place at the
table,
To live without fear, and simply to be,
To work, to speak out, to witness and
worship,
For everyone born, the right to be free.

I Am Going

I am going, Heaven knows where I am going
But I know within

DARK IS THE NIGHT R. Gillard/S.

Runciman
Dark is the night and our sorrow deep in
our hearts, hope we keep.

MISTY MORNING by Carl J. Nygard, Jr.

It was a misty morning on the top
of a hill with all the trees below me
standing quiet and still. When in a
distant voice I thought I heard someone
say: It's just a misty morning thanking
God for today.

In all the spiders' webs I saw the
glistening haze, and all the butterfly tents
were dressed in silver glaze, And in a
distant voice I thought I heard someone
say: it's just the morning's way of
thanking God for today.

Misty morning of a greener dawn,
your day is here. Misty morning, I can
hear your song. The sound is quiet but
the song is clear.
Another misty morning may awaken my
hill.

And when it comes I hope I can
remember still How on a misty morning
from a valley of gray I heard the voice of
creation
Thanking God for today, thanking God
for a misty morning.

ALL WE RECEIVE

All we receive has come from You
All that we have, we give back to you.
Make our hearts be our sacrifice
Pleasing unto thee.
Let our lips, speak your praises
Let us know your will.

We are Your church
And we are Your body
We are the light, that
Light up the earth
To be the salt of the earth
and we are sent to set the captives free.

DEEP & DARK by Richard Gillard/Steve Runciman

Deep and dark is the sky at night. Moon and stars grow bright.

Love before me...

A song we sang and danced at the International Grail Retreat in Sobrado, Spain, 2011.

Love before me
Love behind me
Love under my feet
Love within me
Love above me
Let all around me be love.

Peace before me...
God before me...

Birdsong, birdsong, birdsong.

Oh how lovely is the winter, is the winter,
Frosty blade and icy splinter, icy splinter
Misty morning, misty morning, misty morning

White frost on the grass
Cold around me.

Thirst around me

Autumn window

Austrian Folk Song Lyrics

The violins ringing like lovely singing.
The violins ringing like lovely song.

SURELY THE PRESENCE

(orig. by Lanny Wolfe, 1977)

Surely the presence of the Grail is in this

I can feel its mighty power and its grace.

I can hear the brush of angels wings,

I see glory on each face;

Surely the presence of the Grail is in this

LIFT EVERY VOICE AND SING

(James Weldon Johnson and J. Rosamond Johnson, 1921)

Lift every voice and sing, 'til earth and heaven ring, ring with the harmonies of Liberty;

Let our rejoicing rise high as the listening skies, let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us,

Sing a song full of the hope that the present has brought us;

Facing the rising sun of our new day begun, let us march on 'til victory is won.

Stony the road we trod, bitter the chast'ning rod,
felt in the days when hope unborn had died;

Yet with a steady beat, have not our weary feet
come to the place for which our fathers sighed?

We have come over a way that with tears
has been watered,

We have come, treading our path
through the blood of the slaughtered,
Out from the gloomy past, 'til now we
stand at last

Where the white gleam of our bright star
is cast.

God of our weary years, God of our silent
tears,

Thou who has brought us thus far on the
way;

Thou who has by Thy might led us into
the light, keep us forever in the path, we
pray.

Lest our feet stray from the places, our
God, where we met Thee,

Lest, our hearts drunk with the wine of
the world, we forget Thee;

Shadowed beneath Thy hand, may we
forever stand,

True to our God, true to our native land.

I'M GONNA SING WHEN THE SPIRIT SAYS SING

I'm gonna sing when the Spirit says sing!
(3x)

And obey the Spirit of the Lord!

I'm gonna pray when the Spirit say pray!
(3x)

And obey the Spirit of the Lord

I'm gonna moan when the Spirit says
moan (3x)

And obey the Spirit of the Lord.

I'm gonna shout when the Spirit says
shout! (3x)

And obey the Spirit of the Lord!

I AM YOUR MOTHER (EARTH PRAYER)

(Shirley Erena Murray and Per Harling,
Hope Publishing 1996)

I am your mother: do not neglect me!
Children protect me, I need your trust;
my breath is your breath, my death is
your death, ashes to ashes, dust into
dust.

I am your nurture: do not destroy me!
Love and enjoy me, savor my fruit;
my good is your good, my food is your
food,

water and flower, branches and root.

I am your lodging: do not abuse me!
Tenderly use me, soothing my scars;
my health is your health, my wealth is
your wealth, shining with promise, set
among stars.

God is our maker: do not deny God,
challenge, defy God, threaten this place:
life is to cherish, care, or we perish!

I am your mother, tears on my face.

MORNING HAS BROKEN

Morning has broken like the first morning;
Blackbird has spoken like the first bird.
Praise for the singing! Praise for the morning!
Praise for them, springing fresh from the Word!

Sweet the rain's new fall sunlit from heaven,
Like the first dewfall on the first grass.
Praise for the sweetness of the wet garden,
Sprung in completeness where his feet pass.

Mine is the sunlight! Mine is the morning
Born of the one light Eden saw play!
Praise with elation, praise every morning,
God's re-creation of the new day!

GOODNESS IS STRONGER THAN EVIL

Goodness is stronger than evil; love is stronger than hate;
Light is stronger than darkness; life is stronger than death.
Victory is ours, victory is ours through him who loved us. (2x)

SPIRIT, SPIRIT OF GENTLENESS

(James K. Manley, 1978)
(Chorus) Spirit, spirit of gentleness. Blow through the wilderness, calling and free. Spirit, spirit of restlessness. Stir me from placidness. Wind, wind on the sea.

1. You moved on the waters, You called to the deep, Then You coaxed up the mountains. From the valley of sleep, And over the eons You called to each thing,
"Awake from your slumbers and rise on your wings."
2. You swept through the dessert, You stung with the sand, And You gifted your people With a law and a land, And when they were blinded With their idols and lies,
Then You spoke through Your prophets To open their eyes.
3. You sang in a stable, You cried from a hill,
Then You whispered in silence When the whole world was still,
And down in the city You called once again
When You blew through Your people On the rush of the wind.
4. You call from tomorrow, You break ancient schemes, From the bondage of sorrow The captives dream dreams;
Our women see visions, Our men clear their eyes.
With bold new decisions Your people arise.

MAY YOU RUN AND NOT BE WEARY

(Paul Murakami and Handt Hanson, 1991)

May you run and not be weary. May your heart be filled with song. And may the love of God continue to give you hope and keep you strong.
And may you run and not be weary. May your life be filled with joy! And may the road you travel always lead you home.

WE SHALL OVERCOME

1. We shall overcome, we shall overcome

We shall overcome someday
O deep I my heart, I do believe
We shall overcome someday.

2. We shall live in peace...
3. We'll walk hand in hand...
4. We shall all be free...

LOVING SPIRIT

(Shirley Erena Murray and V. Earle Copes, 1987)

Loving Spirit, loving Spirit, you have chosen me to be--you have drawn me to your wonder, you have set your sign on me.

Like a mother, you enfold me, hold my life within your own, feed me with your very body, form me of your flesh and bone.

Like a father, you protect me, teach me the discerning eye, hoist me up upon your shoulder, let me see the world from high.

Friend and lover, in your closeness I am known and held and blessed; in your promise is my comfort, in your presence I may rest.

Loving Spirit, loving Spirit, you have chosen me to be-- you have drawn me to your wonder, you have set your sign on me.

SHE COMES SAILING ON THE WIND

(Gordon Light, 1985)

(Refrain) She comes sailing on the wind, her wings flashing in the sun, on a journey just begun, she flies on. And in the passage of her flight, her song rings out through the night, full of laughter, full of light, she flies on.

1. Silent waters rocking on the morning of our birth, like an empty cradle waiting to be filled, and from the heart of God the Spirit moved upon the earth, like a mother breathing life into her child.

2. Many were the dreamers whose eyes were given sight when the Spirit filled their dreams with life and form. Deserts turned to gardens, broken hearts found new delight, and then down the ages still she flew on.

3. To a gentle girl in Galilee a gentle breeze she came, a whisper softly calling in the dark; the promise of a child of peace whose reign would never end, Mary sang the Spirit song within her heart.

4. Flying to the river, she waited circling high above the child now grown so full of grace. As he rose up from the water, she swept down from the sky, and she carried him away in her embrace.

5. Long after the deep darkness that fell upon the world, after dawn returned in flame of rising sun, the Spirit touched the earth again, again her wings unfurled, bringing life in wind and fire as she flew on.

GATHER US IN (Marty Haugen, GIA Publications, 1982)

Here in this place new light is streaming, now is the darkness vanished away, see in this space our fears and our dreamings, brought here to you in the light of this day.

Gather us in—the lost and forsaken, gather us in—the blind and the lame; call to us now, and we shall awaken, we shall arise at the sound of our name.

We are the young—our lives are a myst'ry, we are the old—who yearn for your face

We have been sung throughout all of hist'ry, called to be light to the whole human race.

Gather us in—the rich and the haughty, gather us in—the proud and the strong; give us a heart so meek and so lowly, give us the courage to enter the song.

Here we will take the wine and the water, here we will take the bread of new birth, here you shall call your sons and your daughters, called us anew to be salt for the earth.

Give us to drink the wine of compassion, give us to eat the bread that is you; nourish us well, and teach us to fashion lives that are holy and hearts that are true.

Not in the dark of buildings confining, not in some heaven, light years away, but here in this place the new light is shining, now is the Kingdom, now is the day.

Gather us in and hold us forever, gather us in and make us your own; gather us in—all peoples together, fire of love in our flesh and our bone.
